### **H.R. 1427 Federal Housing Finance Reform Act of 2007**

#### ***House Vote 387, Housing Assistance Benefits***

May 22, 2007 — Price (R-GA) amendment H.A. 216 to H.R. 1427, the Federal Housing Finance Reform Act of 2007, requiring an applicant for housing assistance to present proof of identity and legal status. The forms of identification acceptable were limited to (1) a social security card with photo identification, (2) a driver's license or other identification in compliance with REAL ID, (3) a U.S. or foreign passport or (4) a USCIS photo identification card. The amendment was adopted 235-188. **FAIR supported this amendment.**

### **H.R. 2638 Department of Homeland Security Appropriations, 2008**

#### ***House Vote 476, Border Fencing***

June 15, 2007 — Carter (R-TX) amendment H.A. 273 to remove language in the Appropriations bill that barred the funding of fencing (1) through federal lands without the approval of the environmental or other agency involved in management of the lands or (2) without consultation with the state and local communities. The amendment would restore the authority of the Secretary of Homeland Security to determine the most strategic locations for building the fence without being required in every instance to consult other agencies. The amendment was rejected 190-233. **FAIR supported this amendment.**

#### ***House Vote 478, Employment Authorization Verification***

June 15, 2007 — King (R-IA) amendment H.A. 278 to reduce ICE salaries and expenses by \$5 million and redirected it toward operation of the E-Verify program (formerly the Basic Pilot Program). The amendment was adopted, 228-195. **FAIR supported this amendment.**

#### ***House Vote 479, REAL ID***

June 15, 2007 — Bilbray (R-CA) amendment H.A. 280 to reduce the Coast Guard integrated deepwater system program by \$150 million and use the money to help states comply with the REAL ID Act of 2005. The amendment was rejected, 155-268. **FAIR supported this amendment.**

***House Vote 484, Visa Waiver Program***

June 15, 2007 — Tancredo (R-CO) amendment H.A. 292 to prohibit funds from being used to carry out the visa waiver program. The amendment was rejected, 76-347. **FAIR supported this amendment.**

***House Vote 485, Sanctuary Cities***

June 15, 2007 — Tancredo (R-CO) amendment H.A. 294 to prevent the distribution of Homeland Security funds under the bill to cities that bar communication between their agencies and Homeland Security regarding the immigration status of individuals in custody. The amendment was adopted 234-189. **FAIR supported this amendment.**

***House Vote 486, Border Fencing***

June 15, 2007 — Royce (R-CA) amendment H.A. 295 to prohibit the use of funds to build fencing on the U.S.-Mexico border with fewer than two layers. The amendment was rejected, 149-272. **FAIR supported this amendment.**

***House Vote 487, Temporary Protected Status***

June 15, 2007 — Forbes (R-VA) amendment H.A. 296 to prevent Homeland Security funds being used to extend temporary protected status for nationals of a country beyond the original period of not more than 18 months. The amendment was rejected, 123-298. **Fair supported this amendment.**

**H.R. 3043 Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2008**

***House Vote 673, Social Security Totalization Agreements***

July 19, 2007 — Gingrey (R-GA) amendment H.A. 673 to prohibit the use of any funds appropriated in the act pursuant to any totalization agreement with Mexico. A totalization agreement with Mexico would permit illegal Mexican workers, whose employers paid Social Security taxes in the U.S., to obtain credit for funds paid into the system under fraudulently obtained Social Security numbers (SSN) once the alien obtains any form of legal status and obtains a valid SSN. The amendment was agreed to, 254-168. **FAIR supported this amendment.**

**H.R. 3074 Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2008**

***House Vote 707, Security and Prosperity Partnership***

July 24, 2007 — Hunter (R-CA) amendment H.A. 630 to prohibit the use of DOT funds for U.S. participation in a working group pursuant to the Security and Prosperity Partnership. The Security and Prosperity Partnership (SPP) was launched in March of 2005 as joint effort between the United States, Mexico and Canada to “increase security and enhance prosperity” through greater cooperation and information sharing. The SPP, however, has been criticized for developing certain initiatives, such as the Mexican Trucking Pilot Program. The amendment

would stop funding for U.S. participation in this partnership. It was agreed to, 388-39. **FAIR supported this amendment.**

#### **H.R. 3093 Commerce, Justice and Science Appropriations Act, 2008**

##### ***House Vote 734, English Language***

July 26, 2007 — Stearns (R-FL) amendment H.A. 678 to prohibit the Equal Employment Opportunity Commission from using funds to prosecute actions against employers who require employees to speak English. The amendment was proposed in reaction to a recent EEOC action against the Salvation Army, which had required workers to speak English on the job. The amendment was rejected, 202-212. **FAIR supported this amendment.**

#### **H.R. 3161 Agriculture, Rural Development, Food and Drug Administration and Related Agencies Appropriations Act, 2008**

##### ***House Vote 814, Employment of and Housing Assistance for Illegal Aliens***

August 2, 2007 — Lewis (R-CA) motion to recommit the Act to the committee with instructions to report back the bill with an amendment prohibiting the use of Agriculture funds to employ illegal aliens and to provide rental housing to aliens not authorized to receive assistance under section 213A of the Immigration and Nationality Act. *Note: This controversial vote had an original tally in support of recommitment of 215-213, which after time expired was changed to 214-214 because of vote changes, and ultimately failed on a 212-216 vote. This vote was the subject of an internal House of Representatives inquiry.* The motion failed, 212-216. **FAIR supported this amendment.**
